

## CUSTOMER SUCCESS STORY: LEADING LOGISTICS COMPANY SECURING CRITICAL SUPPLY CHAINS WITH QUYNTESS

### COMPANY SNAPSHOT

Operates in 50+ countries with over 3,000 employees, specializing in temperature-controlled and patient-critical logistics.

### CHALLENGE

In a regulated market, fragmented communication and lack of real-time shipment visibility created risks for speed, compliance, and reliability.

### WHY QUYNTESS

Quyntess offered expertise in regulated supply chains, scalable partner onboarding, and seamless SAP integration, enabling fast digitalization.

### COMPANY AS 4PL

Manages \$200-250Bn worth of pharmaceuticals annually, ensuring condition-controlled deliveries to 15,000+ customers

### ABOUT COMPANY

A global leader in healthcare logistics, ensures the safe and reliable delivery of life-saving medicines worldwide.
